Darul Uloom NJ is dedicated to the proper upbringing of our youth. As such, we have partnered with the Islamic Foundation of New Jersey (Paterson, NJ) and Baytul-Iman Academy (Old Bridge, NJ) to offer a nurturing environment wherein our children may develop a strong foundation in Islam and excel in secular academics. **\*Registration is now open for Full-Time & Part-Time Hifz programs integrated with optional tuition for 4<sup>th</sup> to 12<sup>th</sup> grades. Classes are slated to begin on September 10, 2011.**

Your children are our children and the future of our Deen. Together, let's raise them to their full potential and reap the benefits of Sadaqa Jariyah (recurring charity). Prophet Muhammad (SWA) is reported to have said (translation): "When a man leaves this world, his deeds come to an end except for three: recurring charity, knowledge by which people benefit, or pious progeny who pray for him." [Muslim].
